HOLE-BY-HOLE DESCRIPTIONS
Renegade Course – Gold Flags

Hole 1	Par 4	Bear 439	One 429	Two 400	Three 379	Four 328	Five 312	Six 273
---------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

Three options are to play to the right side of the fairway, play short of the bunkers on the left, or try to hit it over the bunkers. The forward green is protected by three bunkers, two in front and one long. A shot can be run up onto the front portion of the back green.

Hole 2	Par 4	Bear 468	One 426	Two 417	Three 402	Four 369	Five 351	Six 299
---------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

Avoid the bunker in the middle of the fairway. The left side of the fairway offers more room. There's ample space to run a shot up onto the forward portion of the green, while distance control is key when playing to the back of the green.

Hole 3	Par 4	Bear 488	One 451	Two 431	Three 410	Four 385	Five 312	Six 3053
---------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	-----------------

Lots of driving space off the tee. The left side is safer, but avoid the rough that splits the fairway. Bunkers protect the front of both greens, while a wash divides them.

Hole 4	Par 3	Bear 227	One 209	Two 192	Three 171	Four 162	Five 148	Six 113
---------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

From most teeing grounds, the tee shot must carry over water. Both greens sit along the water's edge and are split by a large bunker. The smart miss is short and left to the forward green and the front bunker to the back green.

Hole 5	Par 5	Bear 627	One 604	Two 583	Three 547	Four 525	Five 516	Six 472
---------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

Avoid the bunkers on the right of the fairway to leave a fairly straightforward layup. Play more to the right side to leave a better angle into both greens and avoid the bunkers

Hole 6	Par 3	Bear 189	One 173	Two 168	Three 157	Four 156	Five 137	Six 126
---------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

An island green surrounded by desert forces the golfer to choose the right iron and strike it well. Misses left and right might settle in the rough, but more likely will find the desert.

Hole 7	Par 4	Bear 438	One 385	Two 353	Three 340	Four 321	Five 300	Six 273
---------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

The forward green is reachable from almost any tee, but laying back avoids trouble when playing to either green. To the back green, challenge the line of bunkers on the right to leave a short shot in.

Hole 8	Par 4	Bear 507	One 461	Two 437	Three 402	Four 372	Five 352	Six 266
---------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

Placing a drive in the left center of the fairway will avoid all the trouble on this hole. Going over either green will almost surely result in bogey—at best.

Hole 9	Par 5	Bear 615	One 574	Two 524	Three 508	Four 478	Five 460	Six 423
---------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

Bunkers split the fairway, leaving more room to the right than is visible. Long hitters can hug the left side to leave a shorter approach.

Out	Par 36	Bear 3998	One 3712	Two 3505	Three 3316	Four 3096	Five 2888	Six 2550
------------	---------------	------------------	-----------------	-----------------	-------------------	------------------	------------------	-----------------

Hole 10	Par 5	Bear 611	One 570	Two 523	Three 492	Four 481	Five 466	Six 405
----------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

Bunkers split the fairway, leaving more room to the right than is visible. Long hitters can hug the left side to leave a shorter approach to a green with strategically placed bunkers.

Hole 11	Par 4	Bear 414	One 378	Two 350	Three 338	Four 305	Five 279	Six 262
----------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

Positioning the drive in the fairway may require something other than driver off the tee. Distance control is especially important if playing to the back portion of the shared green.

Hole 12	Par 3	Bear 210	One 196	Two 181	Three 164	Four 150	Five 137	Six 141
----------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

The bailout area is to the right for both greens. The back portion of the green has more room than it appears.

Hole 13	Par 4	Bear 521	One 510	Two 475	Three 450	Four 389	Five 372	Six 339
----------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

To leave a shorter shot into the green, carefully pick a line that will carry the bunkers. The left side of the fairway is safer, but calls for a longer uphill approach shot in.

Hole 14	Par 3	Bear 237	One 199	Two 186	Three 173	Four 154	Five 131	Six 131
----------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

The forward green is the most challenging of the three greens on this short hole. The longest green offers the possibility of a kick back onto the green. Controlling distance is the key to all three.

Hole 15	Par 5	Bear 663	One 627	Two 612	Three 584	Four 526	Five 477	Six 453
----------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

Playing left-to-right off the tee will be rewarded here, as long as the right fairway bunker is avoided. Both greens are open to run-up shots.

Hole 16	Par 3	Bear 184	One 172	Two 158	Three 150	Four 135	Five 122	Six 122
----------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

The green is huge and features a great deal of undulation. Finding the proper quadrant should result in a good look at birdie.

Hole 17	Par 5	Bear 632	One 596	Two 565	Three 546	Four 468	Five 453	Six 447
----------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

The right side is an option off the tee, with the risk of finding five large bunkers. Cross bunkering will challenge the golfer planning to lay up for an approach to the back green, which also plays uphill.

Hole 18	Par 4	Bear 463	One 434	Two 422	Three 373	Four 359	Five 316	Six 291
----------------	--------------	-----------------	----------------	----------------	------------------	-----------------	-----------------	----------------

Most players are advised to play left of the bunkers, but carrying the hazard leaves a short iron into the elevated green. The front portion of the green is more challenging than the back.

In	Par 36	Bear 3935	One 3682	Two 3472	Three 3270	Four 2967	Five 2753	Six 2591
-----------	---------------	------------------	-----------------	-----------------	-------------------	------------------	------------------	-----------------

Total	Par 72	Bear 7933	One 7394	Two 6977	Three 6586	Four 6063	Five 5641	Six 5141
--------------	---------------	------------------	-----------------	-----------------	-------------------	------------------	------------------	-----------------
